

## PRO EVENT TABLE MB

Compact and collapsible professional event table gives a functional and clean look. Matte black finish.

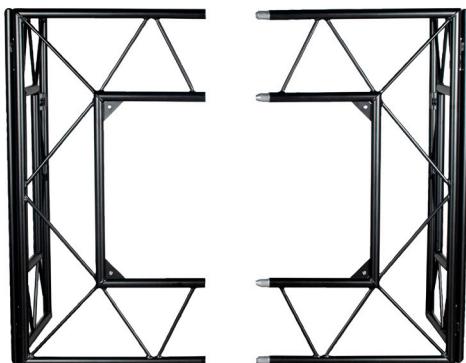

Designed as a professional alternative to folding banquet tables, the ADJ Pro Event Table MB, with a matte black finish, is a compact and collapsible unit with a modern clean look. Not only is it lightweight and easily portable, but this cleverly-designed portable event surface is easily brandable, making it ideal for a wide variety of purposes at all kinds of events. If you're currently using a pile of road cases to support your control equipment, or relying on venues to provide tables, this could be exactly what you need to improve professionalism and make your life easier at events. The Pro Event Table MB collapses in half for easy transport.
