

MICRO PHASE™

The ADJ Micro Phase, part of the Micro LED Series, is a Moonflower effect similar to ADJ's popular Tri Phase. This effect fills a room with dozens of multi-colored razor sharp beams from its 3-IN1 RGB TRI LED. With its low power consumption, long life LED source, and its ease of use, the Micro Phase is a great effect that brings pure lighting excitement to parties, karaoke events, small bars and clubs, and for home use.
