

micro WASH WWCW

The Micro Wash WWCW is a mini par can with smooth Warm White to Cool White color mixing from seven bright 1-Watt LEDs, and features DMX-512, flicker-free operation, 19 built-in color macros, strobing, electronic dimming and has a 3-Button DMX display system on the rear panel. The Micro Wash WWCW has a dual bracket system that allows the fixture to be hung or set on the ground, and is ideal for performance stages, table spotting, lighting retail stores or anywhere traditional par cans emit a lot of heat onto performers.
